Baseball/Softball Mandatory Concession Stand Work Requirement

The concession stand is the primary source of revenue for the baseball/softball program. Registration fees do not cover the cost of league fees, let alone field maintenance and improvements, equipment, uniforms and supplies. The difference between the registration fees and the actual costs is bridged by the income that the stand generates. Without this income, registration fees would need to be increased substantially.

The concession stand requirement was implemented to help ensure that there were enough "volunteers" to keep the stand operating. Please take the time to carefully read the following:

- ❖ **When registering for baseball/softball, each family must submit a check in the amount of \$75.00. This is in addition to the registration fee. Please make the check payable to the Dennis Township Baseball/Softball Association. This check will not be deposited right away but instead will be held until the work requirement is completed.**
- ❖ One person from each family (must be 16 or older) or someone representing the family will be required to work one night or afternoon in the concession stand. Children under the age of 16 will not be permitted in the stand. No exceptions!
- ❖ A family representative can be an uncle, aunt, grandparent, neighbor, friend or anyone over the age of sixteen who is willing to fulfill the work requirement.
- ❖ **A master work schedule will be posted in the window of the concession stand by April 12, 2010. It is the responsibility of a parent/guardian from each family to check the listing for their scheduled work date (listed under player's name). There will not be a reminder phone call or letter.**
- ❖ After fulfilling the work requirement, the \$75.00 Concession stand check will be returned immediately.
- ❖ If a parent/guardian or representative is unable to work the scheduled time, or fails to show up, the concession check will immediately be deposited by the baseball/softball association.
- ❖ If weather conditions force games to be cancelled, work dates may be rescheduled.
